

# Cotswold Canals Restoration: New Bridge at A38 Whitminster Roundabout

6 September 2020

Construction work on the two new bridges which will carry the A38 main road over the Stroudwater Canal at Whitminster, Gloucestershire, UK, is proceeding well.

The eastern bridge is complete [and this video on Youtube](#) shows one of the massive concrete sections that will form the new western bridge being craned into position on Friday 4 September 2020.

The site as shown on the OS 25in map (1901) may be seen by clicking here:-
